“Open Education Resources: There’s Something in It For You.” Unearthing the Hidden Value of OER to a Mid-size Academic Community
OER in Higher Education

• Vital for supporting core institutional missions
  – Research
  – Teaching
  – Learning
• Making education more affordable
• Unimpeded access to information
• Building global communities of learners
OER Efforts @ UNC
Challenge for Libraries...

Our Response

Open Education Resources (OER)

Researcher Workshop Series
Workshop Design

Collaborative Approach

• LRS Researcher Workshop Series
Letting the World Know

• UL News
• UNC Today
• LibCal and Library calendar page
• Library social media outlets
• Library website
• PR to departments, including flyers for Michener and other campus buildings
BEAR-ing the Torch

- We’re in it together
- Moving forward against all odds
- Marketing through multiple venues
- Librarian buy-in → Administration buy-in → Faculty/students buy-in
- Personal example
- Sustainability breeds success
Thank You!

Stan Trembach
Education Librarian
University of Northern Colorado
