PUBLICATION INFORMATION

Educational Considerations is a peer-reviewed journal published by the College of Education, Kansas State University. *Educational Considerations* and Kansas State University do not accept responsibility for the views expressed in articles, reviews, and other contributions appearing in this publication. In keeping with the professional educational concept that responsible free expression can promote learning and encourage awareness of truth, contributors are invited to submit research-based manuscripts related to educational leadership and policy.

Educational Considerations is published at least two times yearly. Editorial offices are located at the College of Education, Bluemont Hall, 1114 Mid-Campus Drive North, Kansas State University, Manhattan, KS 66506-5301. Correspondence regarding manuscripts should be directed to the Executive Editor at fecrampton@gmail.com. No remuneration is offered for accepted articles or other materials submitted.

By submitting to *Educational Considerations*, the author guarantees that the manuscript is an original work, is not under consideration for publication elsewhere, and has not been previously published. The University of Chicago's *Manual of Style*, 16th edition, is the editorial style required. Authors may select from two citation systems: note (footnote) or author-date, as described in Chapters 14 and 15 of the manual, titled "Documentation I" and "Documentation II," respectively. For note style, footnotes with full details of the citation should be listed at the end of the manuscript. No bibliography is needed. Tables, graphs, and figures should be placed in a separate file. An abstract of 150 words must accompany the manuscript.

Manuscripts should be submitted electronically to the Executive Editor, Faith Crampton, at fecrampton@gmail.com as an e-mail attachment. Complete name, address, telephone number, and email address of each author should be included in the body of the e-mail and on the title page of the manuscript. Authors are required to provide copies of permission to quote copyrighted materials. Queries concerning proposed articles or reviews are welcome. The editors reserve the right to make grammatical corrections and minor changes in article texts to improve clarity. Address questions regarding specific styles to the Executive Editor.
