Manuscript Submission Guidelines

Abstract

Updated guidelines for submitting manuscripts to JIAEE.

Manuscript Submission Guidelines

The *JIAEE* is the official refereed journal of the Association for International Agricultural and Extension Education (AIAEE).

General Requirements

Microsoft Word files only may be submitted. All manuscripts must indicate the type of article—Research Note or Feature Article during the submission process. **All articles must be submitted online at <https://newprairiepress.org/cgi/submit.cgi?context=jiaee>**

Manuscripts cannot be published or be under consideration for publication in another journal. The *Journal of International Agricultural and Extension Education (JIAEE)* follows the standards set forth in the *Publication Manual of the American Psychology Association* (7th ed.). Online manuscript submission guidelines are posted at <https://newprairiepress.org/jiaee/policies.html#authors>

Authors must follow these formatting requirements prior to submitting manuscripts to the *JIAEE*.

Feature Articles

A feature article reports the findings from a fully investigated study. **Conceptual/Theoretical and Methodological manuscripts** are also encouraged as submission for feature articles. While the uploaded document itself must not contain any identifying information about the authors, a submission box will be provided to submit the manuscript title, authors' names, institutions and contact information. Submission will also include an **Abstract** (a succinct idea of the article's content) not exceeding 250 words, followed by 5-7 **Keywords**.

The manuscript (which is uploaded) will begin with the **Introduction, Theoretical/Conceptual/Operational Framework, Purpose and Objectives, Methods, Findings/Results, Conclusion, Recommendations/Implications, and References**, or similar appropriate headings. Feature articles cannot be longer than **20 double-spaced** (12-point font) pages (not including title page) with **one-inch margins** on all sides, excluding references.

Research Notes

A research note is a concise but complete description of a limited investigation that will not be included in a later manuscript. While the uploaded document itself must not contain any identifying information about the authors, a submission box will be provided to submit the manuscript title, authors' names, institutions and contact information. Submission will also include an **Abstract** (a succinct idea of the article's content) not exceeding 250 words, followed by 5-7 **Keywords**. Research notes should be no longer than **10 double-spaced** (12-point font) pages (not including title page) with **one-inch margins** on all sides, excluding references.

Page Fees

The Journal of International Agricultural and Extension Education (JIAEE) is an open access journal hosted by New Prairie Press. There are no page fees for either review or for publication.
