Manuscript Submission Guidelines

The *JIAEE* is the official refereed journal of the Association for International Agricultural and Extension Education (AIAEE).

**General Requirements**

**Microsoft Word** files only may be submitted. All manuscripts must indicate the type of article—Research Note or Feature Article during the submission process. **All articles must be submitted online at** [https://newprairiepress.org/cgi/submit.cgi?context=jiaee](https://newprairiepress.org/cgi/submit.cgi?context=jiaee)

Manuscripts cannot be published or be under consideration for publication in another journal. The *Journal of International Agricultural and Extension Education (JIAEE)* follows the standards set forth in the *Publication Manual of the American Psychology Association* (7th ed.). Online manuscript submission guidelines are posted at [https://newprairiepress.org/jiaee/policies.html#authors](https://newprairiepress.org/jiaee/policies.html#authors)

**Authors must follow these formatting requirements** prior to submitting manuscripts to the *JIAEE*.

**Feature Articles**

A feature article reports the findings from a fully investigated study. **Conceptual/Theoretical and Methodological manuscripts** are also encouraged as submission for feature articles. While the uploaded document itself must not contain any identifying information about the authors, a submission box will be provided to submit the manuscript title, authors’ names, institutions and contact information. Submission will also include an **Abstract** (a succinct idea of the article’s content) not exceeding 250 words, followed by 5-7 **Keywords**.

The manuscript (which is uploaded) will begin with the **Introduction**, **Theoretical/Conceptual/Operational Framework, Purpose and Objectives, Methods, Findings/Results, Conclusion, Recommendations/Implications**, and **References**, or similar appropriate headings. Feature articles cannot be longer than **20 double-spaced** (12-point font) pages (not including title page) with **one-inch margins** on all sides, excluding references.

**Research Notes**

A research note is a concise but complete description of a limited investigation that will not be included in a later manuscript. While the uploaded document itself must not contain any identifying information about the authors, a submission box will be provided to submit the manuscript title, authors’ names, institutions and contact information. Submission will also include an **Abstract** (a succinct idea of the article’s content) not exceeding 250 words, followed by 5-7 **Keywords**. Research notes should be no longer than **10 double-spaced** (12-point font) pages (not including title page) with **one-inch margins** on all sides, excluding references.

**Page Fees**

The Journal of International Agricultural and Extension Education (JIAEE) is an open access journal hosted by New Prairie Press. There are no page fees for either review or for publication.
