SYMPHONY IN THE FLINT HILLS, INC.

OUR MISSION

*Heighten appreciation and knowledge of the Flint Hills tallgrass prairie.*

Symphony in the Flint Hills, Inc., works to build awareness for the last stand of tallgrass prairie. Throughout the year, we share the story of the Flint Hills worldwide through arts and cultural exhibitions in our Cottonwood Falls gallery, articles in our acclaimed Field Journal, and family fun at WoodFest. Each June, 7,000 kindred spirits join us for our Signature Event, where we showcase the region’s heritage and beauty through dialogue and music.

In the past year, we have explored WaterWays of the Flint Hills, through both a Smithsonian Exhibit with support from the Kansas Humanities Council and a local companion exhibit in partnership with the Nature Conservancy. This year’s Field Journal is the result of a year-long effort to understand how water shapes the land, the people, and the future of the Kansas Flint Hills.

We envision a future where our efforts inspire people to strengthen the Flint Hills by sustaining the region’s unique culture and landscape. You can learn about ways to join us at symphonyintheflinthills.org.
As Major Presenting Sponsor for Symphony in the Flint Hills through 2021, BNSF Railway is honored this year to celebrate WaterWays in the Flint Hills. From the banks of the Kansas River, Cyrus K. Holliday donated land to build the Kansas Statehouse and founded the Santa Fe Railway. Today, BNSF tracks follow those same waterways, to deliver Kansas products to the world. BNSF is proud to partner with Symphony in the Flint Hills to celebrate water, a vital natural resource of the prairie.
