DOI: 10.4148/1051-0834.1261
The Journal of Applied Communications is a quarterly, refereed journal offering professional development for educational communicators who emphasize agriculture, natural resources, and life and human sciences.

The Journal of Applied Communications is:

- **Focused specifically** on issues and topics relevant to agricultural and applied communication professionals
- **Peer-reviewed** to ensure accuracy and quality of editorial content
- **Indexed selectively** in AGRICOLA, indexed and abstracted in ERIC’s Current Index to Journals in Education (CIJE), and is listed in Ulrich’s International Periodicals Directory and ARL’s Directory of Scholarly Electronic Journals and Academic Discussion Lists
- **Abstracts accessible via the Web** at [http://www.aceweb.org/jac/jac.html](http://www.aceweb.org/jac/jac.html)

**Caption: Cover Photo**

Florida’s State Master Gardener Coordinator, Tom Wichman, provides the voice for the Gardening in a Minute radio program. The program airs every day on stations in Florida to provide tips for amateur and experienced gardeners. Learn more about the research process used to develop the radio show on page 39. Photo by Emily Eubanks, University of Florida Center for Landscape Conservation and Ecology.
The ACE Mission
ACE develops professional skills of its members to extend knowledge about agriculture, natural resources, and life and human sciences to people worldwide.

How Do I Subscribe?
Members of ACE receive the Journal of Applied Communications as part of regular membership services. The rate for nonmembers, libraries, and others is $75 a year. Single copies of back issues may be obtained for $15 each, when available.
