*On today's walk in orbit over the star NG4717-B I found an epic number of sunspots or what we now think might be the alien star people who communicate with gravity waves, and built the galaxies*

## GLOW-WORM

Shine little glow-worm, glimmer, glimmer  
 Shine little glow-worm, glimmer, glimmer  
 Lead us lest too far we wander  
 Love's sweet voice is calling yonder  
 Shine little glow-worm, glimmer, glimmer  
 Hey, there don't get dimmer, dimmer  
 Light the path below, above  
 And lead us on to love!  
 Glow little glow-worm fly of fire  
 Glow like an incandescent wire  
 Glow for the female of the species  
 Turn on the AC and the DC  
 This night could use a little brightnin'  
 Light up you little ol' bug of lightnin'  
 When you gotta glow, you gotta glow  
 Glow little glow-worm, glow  
 Glow little glow-worm, glow and glimmer  
 Swim through the sea of night, little swimmer  
 Thou aeronautical boll weevil  
 Illuminate yon woods primeval  
 See how the shadows deep and darken

You and your chick should get to sparkin'  
 I got a gal that I love so  
 Glow little glow-worm, glow  
 Glow little glow-worm, turn the key on  
 You are equipped with taillight neon  
 You got a cute vest-pocket Mazda  
 Which you can make go slow and faster  
 I don't know who you took a shine to  
 Or who you're out to make a sign to  
 I got a gal that I love so  
 Glow little glow-worm, glow  
 Glow little glow-worm, glow  
 Glow little glow-worm, glow  
 Glow little glow-worm, glow!

Original German lyrics by Heinz Boltzen-Backers. Translated to English by Lilla Cayley Robinson. Expanded and revised by Johnny Mercer. Made popular by The Mills Brothers.
