Subscription rates

Members of ACE receive the Journal of Applied Communications as part of regular membership services. The rate for nonmembers, libraries, and others is $75 a year. Single copies of back issues may be obtained for $15 each, when available.

For information on how to submit articles and to review the publishing policy, please visit www.aceweb.org/jac/guidelines.html
The Journal of Applied Communications is a quarterly, refereed journal offering professional development for educational communicators who emphasize agriculture, natural resources, and life and human sciences.

The Journal of Applied Communications is:

- Focused specifically on issues and topics relevant to agricultural and applied communication professionals
- Peer-reviewed to ensure accuracy and quality of editorial content
- Indexed selectively in AGRICOLA, indexed and abstracted in ERIC’s Current Index to Journals in Education (CIJE), and is listed in Ulrich’s International Periodicals Directory and ARL’s Directory of Scholarly Electronic Journals and Academic Discussion Lists
- Abstracts accessible via the Web at http://www.aceweb.org/jac/jac.html

More news organizations are trying their hand at podcasting. Learn more about this emerging communication technology from ACE member Blair Fannin on page 9. Photo by Blair Fannin, Texas A&M University System Agricultural Communications.
The ACE Mission
ACE develops professional skills of its members to extend knowledge about agriculture, natural resources, and life and human sciences to people worldwide.
