PUBLICATION INFORMATION

Educational Considerations is published at the College of Education, Kansas State University. *Educational Considerations* and Kansas State University do not accept responsibility for the views expressed in articles, reviews, and other contributions appearing in this publication. In keeping with the professional educational concept that responsible free expression can promote learning and encourage awareness of truth, contributors are invited to submit conclusions and opinions concerned with varying points of view in and about education.

Educational Considerations is published three times yearly in fall, winter, and spring. Editorial offices are at the College of Education, Holton Hall, Kansas State University, Manhattan, Kansas 66506. Correspondence about manuscripts and reviews should be addressed to the Editor. Unsolicited manuscripts should be accompanied by a self-addressed envelope with sufficient postage to insure its return. No remuneration is offered for accepted articles or other material submitted.

Material submitted to *Educational Considerations* can be as brief as a paragraph or as long as, say, 2000 words. All of it, including indented quoted matter and footnotes, should be typed double-spaced. Footnotes should be at the end of the manuscript. Headings should not be underlined. Please submit three copies of each manuscript. The author's complete name, address, and telephone number should be on a separate sheet attached to the original or one copy of the manuscript, not on any copies of the manuscript itself. Photographs, drawings, cartoons, and other illustrations are welcome. Authors should be prepared to provide, if requested, copies of permission to quote copyrighted matter. Queries about possible articles are certainly encouraged; however, a favorable reply is not to be considered a request for the article. For manuscript style other than specified above, be guided by the MLA Style Sheet, 2nd Edition, Modern Language Association of America (62 Fifth Ave., New York, N.Y. 10011; May 1970, \$1.25). The editors reserve the right to make grammatical corrections and minor changes in article texts to improve clarity. Address questions about special styles to the Editor.

Subscription to *Educational Considerations* is \$4.00 per year, with single copies \$1.50 each. Correspondence about subscriptions should be addressed to the Business Manager, c/o The Editor, *Educational Considerations*, College of Education, Kansas State University, Manhattan, Kansas 66506. from the editors' viewpoint

With this issue *Educational Considerations* enters its second year of publication. We have been well received by educators in many different areas of specialization; however, the warm reception and kind words do not translate directly into spendable dollars.

Our first year was devoted to establishing a reputation as a quality publication and soliciting manuscripts reflecting that level of scholarship. Our second year of publication will, of necessity, be devoted to the more mundane matters of subscription and financial solvency.

We begin our second year at a time when many educational journals across the nation are being threatened by extinction in that the sponsoring institutions are finding it necessary to channel scarce funds into other areas. The "little" journals, like **Educational Considerations**, have an important place to fill in American educational journalism.

If you have not yet subscribed, or renewed your subscription to **Educational Considerations**, please do so.
