LYLE LOMAS
Research Center Head and Animal Scientist

B.S., M.S., Animal Husbandry, University of Missouri
Ph.D., Animal Husbandry, Michigan State University

Lyle provides administrative and research leadership and directs beef cattle research at the Kansas State University Southeast Agricultural Research Center. Lyle joined the staff in 1979 as an animal scientist and became head in 1986. His research interests are beef cattle nutrition and forage utilization by grazing beef cattle.

JOE MOYER
Forage Agronomist, Emeritus (on staff from 1978-2016)

B.S., M.S., Ph.D., Agronomy, Kansas State University

Joe has been a staff member since 1978. His research evaluates forage grass and legume cultivars and management practices and forage utilization by grazing beef cattle.

GRETCHEN F. SASSENRATH
Cropping Systems Agronomist

B.A., Oberlin College
M.S., Biophysics, University of Illinois
Ph.D., Plant Physiology, University of Illinois

Gretchen joined the staff in 2013. Her research focuses on crop production; physiological, edaphic, biotic, and abiotic stressors in cropping systems; and integrated production systems.

DAN SWEENEY
Soil and Water Management Agronomist

B.S., Chemistry, Kentucky Wesleyan College
M.S., Agronomy, Purdue University
Ph.D., Soil Science, University of Florida

Dan joined the staff in 1983. His research focuses on soil fertility, tillage and compaction, water quality, and irrigation.
Research Center Personnel

Lyle Lomas, Research Center Head and Animal Scientist
  Larry Buffington, Custodial Specialist
  Jason Denton, Agricultural Technician II
  TaLana Erikson, Research Technologist
  Terry Green, Research Technologist
 Adam Harris, Agricultural Technician II
  Marla Sexton, Accountant I

Gretchen Sassenrath, Crop Production Agronomist
  Lonnie Mengarelli, Research Assistant
  Dekon Strickland, Agricultural Technician I

Joe Moyer, Forage Agronomist, Emeritus (on staff from 1978-2016)
  Mike Cramer, Agricultural Technician Senior
  Larry Sale, Agricultural Technician I

Daniel Sweeney, Soil and Water Management Agronomist
  Garth Blackburn, Research Technologist
  David Kerley, Agricultural Technician II
Acknowledgments

Chemical Disclaimer
Brand names appearing in this publication are for product identification purposes only. No endorsement is intended, nor is criticism implied of similar products not mentioned. Experiments with pesticides on nonlabeled crops or target species do not imply endorsement or recommendation of nonlabeled use of pesticides by Kansas State University. All pesticides must be used consistent with current label directions. Current information on weed control in Kansas is available in 2018 Chemical Weed Control for Field Crops, Pastures, Rangeland, and Noncropland, Report of Progress 1139, available from the Distribution Center, Umberger Hall, Kansas State University, or at: bookstore.ksre.ksu.edu (type Chemical Weed Control in search box).
